## Compact home printer delivers business-like performance

The compact, easy-to-use and reliable P C200W from Ricoh is the ideal solution for the home office. Printing at speeds of up to 26 pages a minute in full color, it saves time and space.

Its WiFi wizard makes set up simple, meaning users can be up and printing within minutes. With a powerful multi core processor and 512MB of memory on board, large files are handled with ease.

Its front loading paper tray and wireless connectivity allow the P C200W to be placed on a small desk, shelf or counter top.

To reduce print costs, the P C200W supports duplex printing to save paper.

- Compact print solution, perfect for small offices and home workers
- Work from any location using WiFi and mobile print utilities
- High quality color and black-and-white output is delivered at speed
- Intuitive WiFi wizard simplifies set up
- All-in-one cartridges reduce print costs and reduce the frequency of toner replacement

Its compact design, easy operation and productive performance make the RICOH P C200W a perfect choice for home workers.
